

DHURUBA CHAND MAHVIDYALAYA

Department of Microbiology

In collaboration with IQAC

Banshi Bazar, South 24 Parganas, WB

BARUNDE DEVI MEMORIAL LECTURE

On 24 December 2023
Wednesday at 12 Noon

Ramanujan Lecture Hall (Rm No 46), DCH College

SPEAKER

Dr. Sanjeev Potluri

National Coordinator, Microbiologists Society, India

Former Principal, SS College, Adityapur, District Purbi, Maharashtra

THEME

Opportunities

Microbiology & Wine Industry in India

MEMBERS OF THE COLLEGE FAMILY & MICROBIOLOGY FRATERNITY ARE INVITED

Principal
Dhruva Chand Mahavidyalaya
P.O.- D. Barasat, P.S.- Jangra
South 24 Parganas, Pin- 743372

Dhruba Chand Halder College, Department of Microbiology, organised Baruni Devi Memorial Lecture, an annual event to offer their heartfelt gratitude to the lady who had immense visionary for girl child education way back in the 1960s from a remote corner of South Bengal and hence contributed all her meagre wealth for bringing up the institution.

This year we had with us Dr. Sanjeev Patankar, National Coordinator, MBSI to deliver the Memorial Lecture. Dr. Patankar chose a topic rightly befitting the student community in Food Processing and Entrepreneurship. Dr. Patankar in the introduction showed his heartfelt reverence for Baruni Devi and also mentioned about the melody note of Saraswati Vandana sung by our Alumni(2022), Titas Dutta. He uttered that the voice of singers from Bengal(as found in national media)are really very sweet. This raised a huge applause from the audience. We really took a great pride from the incidence.

We the DCH College poribar is indebted to Dr. Patankar to spend a whole day for us coming all the way from Maharashtra and show new avenues of thought.

It was also a very appreciating gesture on part of Dr. Swapna Mukherjee(St Andrews College), National Secretary, MBSI and Madam Richa Arora(Scottish Church College), one of WB State Coordinators to join us for the vibrant day.

On this very day we had the inauguration of MBSI Student Unit of the department for the session 2023 and also the departmental magazine "Breakthrough".

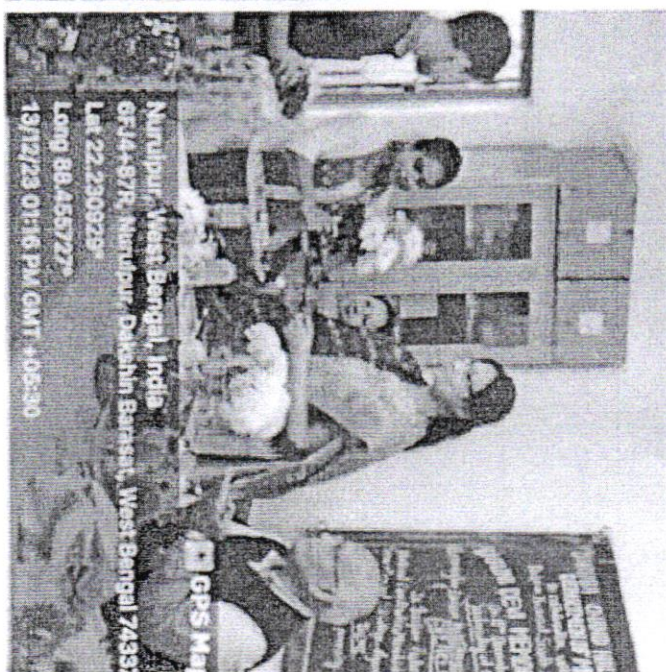

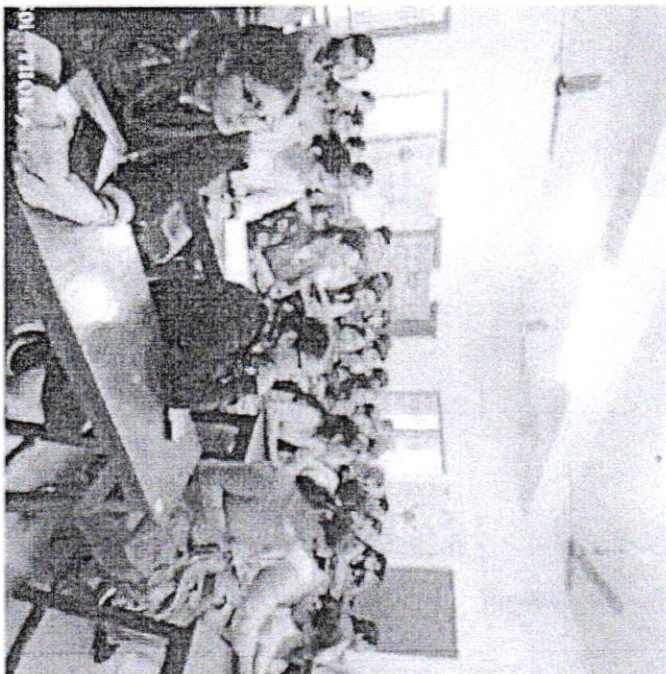

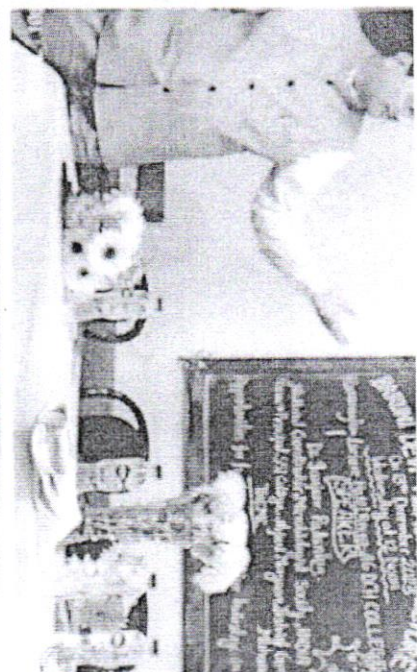

No. of participants including teachers and students: 46.
