Date : 09.03.2024 (Saturday)

Time : 12 Noon

Guest Speaker : Dr. Ragini Profulla Khubalkar

Number of Participants : 43

PRINCIPAL
Dhruba Chand Halder College
P.O.- D. Barasat, P.S.- Jaynagar
South 24 Parganas, Pin- 743372

Brief Description :

In this programme our guest Speaker Dr. Ragini Profulla Khubalkar has explained about the types of Intellectual Property. IPR is related to confidential information, patents, Trademarks, Industrial designs, copy rights, Geographical Indications, Layout design of an integrated circuit. She has also explained IPR is the creation of the human intellect process and is therefore the product of the human intellect or mind. She told about Characteristics of Intellectual Property.

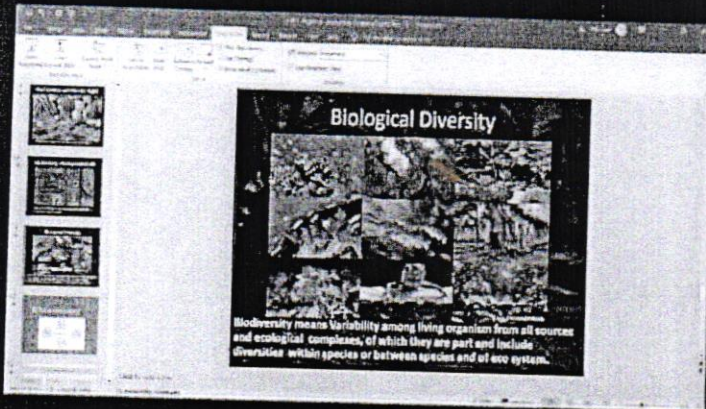

- 1) Creation of Intellect
- 2) Heterogeneous group
- 3) Different Qualifications
- 4) Territorial
- 5) Divisibility of rights
- 6) Monopoly Rights
- 7) Fixed Term

She explained it is a kind of property which consist in ownership control and Right over creation of human mind. She told about invention steps and utility. According to her Design means only the nature of shape, configuration, pattern or ornament which in a finished article, appeals to eyes and could be judged solely by the eyes.
