# **"Report on Poster competition on Women's position in Contemporary India"**

Name of the Program: Poster competition on Women's position in Contemporary India

Date of the Program: 02/11/2019

## **Total participants**

Total: 25

## **Programme details**

"The greatest indicator of a society's progression is the status of women that holds it up." Despite the heritage and modern progression, there is a lot that needs to be done. From the age of Manu till today, women have been subject to a lot of demeaning practices, societal negligence and customs designed to confine them and often treated as commodities rather than a human. Child Marriage, Sati, Casual dismissal of opinion and many more.

The Gender sensitisation cell organized a poster competition to encourage the students to put forth their views on the present scenario of women. The students portrayed their views on posters beautifully and it was quite difficult to decide upon the winner.

Principal sir Dr. Satyabrata Sahoo and three other senior Prof. Shyamal Banerjee, Prof. Ranjit Misra and Dr. Bratati Dey were the judges for the competition. Of the many posters received, Dishari Acharya (3rd year, Microbiology Hons) was adjudged the winner, followed by Suman Das (2nd year, History hons) and Suvalaxmi Saha in the 2nd & 3rd place.

## **Programme outcome**

Need of gender sensitization is to create awareness among the working professionals about the importance of gender sensitivity in organization. The women and children are the most vulnerable group in this situation. And it's the undue pressure on Girls to live up to the established norms of femininity. Girls endure unwarranted social control, discrimination & domination. The program was a great way to educate the students on this issue.
