Traffic Control During Durga Puja 2023 (Five Days)

In West Bengal Durga Puja is celebrated every year with great enthusiasm. Durga Puja 2023 celebrated from **18.10.2023 to 23.10.2023**. This Hindu festival signifies the victory of good over evil and is celebrated with great grandeur in West Bengal. In Kolkata the various clubs organised their Puja in makeshift pandals. During this festival, people from all corners of the city and villages of the nearby districts visit various pandals, each pandal is decorated with unique theme and lighting arrangements. Thousands of people everyday gather in Kolkata city. So it becomes a herculean task for the police to handle and manage traffic in Kolkata city alone by them. So every year Kolkata Police takes the assistance of NCC cadets in managing traffic during Durga Puja festival.

This year **28** SD cadets participated in the programme. Kolkata Police provided food packet and a token honorarium to each cadet who participated in the programme

SUO and JUO of college NCC unit coordinated the programme.

The cadets are trained the basics of traffic management and got to know how to handle and manage crowd comprising people of different age group and sex who are in festive mood, without losing cool and temperament.

Camp for Fring Practice and Competition Police Training Centre (PTS) Kolkata

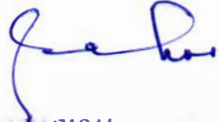

Firing practice is an integral part of NCC training programme which are usually conducted during Combined Annual Training Camp (CATC). But nowadays CATC camps are organised in such places where firing range are not available. So the cadets are not getting adequate firing practice. Thus, a separate firing camp is organised for the cadets at PTS, Kolkata on **28.12.2023**. Firing practice is conducted with point 22 rifle.

15 cadets participated in the camp.

Each cadet is given 10 rounds of bullets for firing practice and the grouping is measured. Cadets, whose firing performance is good, noted for recommendation of their name in TSC camp.

Cadets got to know the basics of firing and the very strict rules and conduct during firing to avoid any kind of casualties and accidents. They came to know the precautions and safety measures to be taken during any firing practice.
