

A HAND-BOOK OF VALUES

THE WAY TO AN ALL-ROUND DEVELOPMENT

INTRODUCTION

Dhruba Chand Halder College at Dakshin Barasat, South 24 Parganas, is a second home to innumerable students coming from diverse localities and areas. The aim of this institution is to provide an all-round education so that students completing their courses here, are well equipped to face the different challenges of life. For this, mere book reading and memorizing texts or answers are not adequate enough. Lessons are therefore given to the students, on moral values, social obligations and the like. This hand-book has been written, keeping all these in mind.

The role of the NCC and the NSS in fostering these developmental skills can never be undermined. The different community programmes undertaken by the NSS, like cleaning the locality, cleaning the campus, organizing blood donation and thalassemia detection camps, planting trees and the like, not only help in making the environment clean and hygienic, but also foster a spirit of oneness and unity, harmony and duty. The two units of the NCC inculcate core values like camaraderie, friendship, ability to respond to distressed human calls, saving lives and the like. Thus, the NSS and the NCC teams co-exist peacefully in the campus, blurring the line of demarcation between the two, ever ready to lend a supporting hand when the need arises. This ensures that core human values are instilled in the minds of the students so that they turn into socially responsible citizens of the country, fighting all ills and promoting goodness and positivity.
