Program detail :

On 15th August, 2023 a cultural program was arranged by the Cultural Sub Committee of DCH College to celebrate reunion of its ex-students of all streams and departments. It was also the auspicious day of Independence of our country. On that day, the college premise, the play-ground were well decorated with our national flags, flowers and colourful paper-cuttings

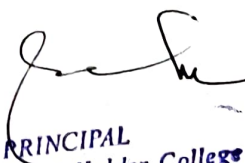

Registration for ex-students of different academic sessions were arranged in separate counters. Dr. Satyabrata Sahoo, principal of the college presided over the program.

To unite the pass out students with present students, to share the memories and feelings with all the stakeholders a beautiful cultural program combined with music, dance and recitation was performed by the students. Ex-students were felicitated with flowers and gifts. They also staged some cultural events.

A grand feast was arranged after the program.

Program outcome :

Present students came to know about the ex-students who shared their experiences in higher education. There were many ex-students who qualified NET, SET and other competitive examinations or worked in private concerns. The union helped to make communication between ex and present students, which had a great academic purpose.
