

Title of the Project : कालिदासस्य शकुन्तलायां
प्रकृतिवर्णनम्

SANA / SEM-3 (Hons)

SESSION - 2022-23

[Kalidasasya Sakuntalabornam
Prakritibornanam]

Theme of the Project :

The Sanskrit Dept. of Dhruva Chandra
Halder College has organized a project to the
Students of 3rd Semester of Sanskrit Hons.
The name of the project was

The famous poet Kalidasa have written
many dramas in where we get various
instances about our nature. So one must think
about our nature first. So this was our theme

In Kalidasa's drama "

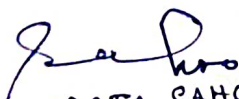

we come to know how friendly was Sakuntala
to the trees. She said to the trees as
she when one can think about nature it
will be very positive.

Outcome of the project :

The project has a greater impact, About 40 students of 3rd sem, Sanskrit Hons. Has joined in this project. They are very much pleased to join this projects work. They have go through the various literary works of the great poet Kalidasa.

They are also curious to know whether other poet or dramatist would mention such valuable remarks on nature. Day by day their interests have grown. So not only book oriented knowledge but we must ensure the students such kind of projects work. We the teachers must know where the interest of students is, so we can the project has a grand success.
